

Coordinating Team of Salem Presbyterian Women
 Search Committee Report
 March 15, 2008

Members of the Search Committee initially communicated via the web and telephone to delegate the responsibilities of making contact with potential candidates to offer them an opportunity to serve on the Salem Presbyterian Women's Coordinating Team and to solicit the continuing support and leadership to individuals currently holding positions. After contacts were made and commitments were in place the committee met on March 9th, 2008 at Spencer Presbyterian Church. During the meeting we reviewed the bylaws and attempted to determine the term of each office. We also discussed a proposal for Installation of officers to inspire others to want to join the Coordinating Team of Salem Presbytery.

An ongoing task of the Search Committee will be to continue to build a database of names for all leadership positions with the assistance of each Cluster Coordinator. We will continue to utilize the Skills Inventory with revisions to the current form. The committee decided to reconvene in July 2008 for the purpose of looking at positions to be filled in 2009.

For the purpose of recordkeeping and documentation, we have compiled the list of nominees to include office, name, and expiration of term. The committee is pleased to present the following PW ladies for the 2008 election (with corrections as made at CT mtg. on the above date.
